Dear Mr. Ader:

On 12 February 2019, the office of the Information and Privacy Coordinator received your 7 February 2019 correspondence requesting records under the Freedom of Information Act. This is a quick acknowledgement to advise you that we received your request. Specifically, your request is for the following: **all records relating or referring to UAE intelligence group "Project Raven" or digital intelligence tool "Karma." This includes copies of emails mentioning or relating to either item, reports, statistics/data, memoranda of understanding, and briefings.** Your request was assigned the reference number above. Please use this number when corresponding so that we can identify it easily.

Our officers will review and process your request in more detail and will only communicate to you if they should encounter any problems or if they cannot begin the search without additional information or clarification. We will search for CIA-originated records up to and including the date the Agency starts its search.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong", with a long horizontal flourish extending to the right.
